May 2018

Dear Friend of the Matthew Kocher Foundation:

On July 27, 2013, John and Kathy Kocher's 15-year-old son Matthew tragically drowned in Lake Michigan while volunteering at a camp to earn service hours. Matthew was an amazing young man who was loved and respected by many. He was an honor student and three-sport athlete playing football, basketball and volleyball at Andrew High School in Tinley Park, IL. Matthew was gentle, kind, cared deeply for others, and was very involved in community service. His tragic death proved that even the most athletically fit person can encounter danger in shallow water.

Recognizing the importance of water safety education, John and Kathy established a foundation in loving memory of Matthew in 2014. Due to the generosity of so many family, friends, and businesses in the community, the Matthew Kocher Foundation has sponsored 250 water safety education classes for 27 area schools, reaching over 35,000 youths. In addition, \$80,000 in scholarships have been awarded to deserving seniors to further their education. The Foundation provided hundreds of service hours to teens volunteering through the following: Matthew Kocher Foundation Youth Advisory Board, caroling at a retirement home, The Matt Kocher Games (Special Olympics of Illinois), The Tinley Irish Parade, Adopt-A-Road Program in Tinley Park, Tinley Trim-A-Tree, a toy drive for kids/teens with cancer, and a food drive for the Tinley Park Food Pantry. In April 2017, John and Kathy Kocher were awarded the NDPA **Lifesaver of the Year Award**, in Pittsburgh, at the NDPA national conference for their efforts for drowning prevention and water safety.

On Friday, August 3, 2018, the fourth annual **Matthew Kocher Memorial Golf Classic** will be held at The Meadows Golf Club of Blue Island, starting at 11:00 a.m. A barbeque dinner reception will be held at The Meadows Golf Club after golfing.
